

Doc. T92-036, as amended

Passed by the Board of Trustees on June 3, 1992

**UNIVERSITY OF MASSACHUSETTS
POLICY AGAINST INTOLERANCE**

The Board of Trustees denounces intolerance which interferes with those rights guaranteed by law or policy, and insists that such conduct has no place in a community of learning. We also recognize the obligation of the University to protect the rights of free inquiry and expression, and nothing in the Resolution in Support of Pluralism or Policy Against Intolerance shall be construed or applied so as to abridge the exercise of rights under the Constitution of the United States and other Federal and State laws.
