STUDENT PROFILE FALL 2004

The *University of Massachusetts Fall 2004 Student Profile* contains frequently requested institutional data about students at our five campuses –Amherst, Boston, Dartmouth, Lowell, and Worcester. Readers will find comprehensive data about admissions, enrollment and degrees conferred at the University. While the report focuses on the most recent fall data, in some cases, trend data are also available.

The President’s Office gratefully acknowledges the assistance of the institutional research offices of each campus in compiling these data.

The *Fall 2004 Student Profile* is also available at <http://www.massachusetts.edu>. If you need additional information about the University of Massachusetts that is not included in this report, please contact Institutional Research.
