Chair Buonomo convened the meeting at 8:08 a.m. and stated that the Committee was provided with draft minutes of the September 9, 2015 and October 21, 2015 meetings and asked for any corrections. With no corrections, the minutes were approved.

Reports:

Chairs Report
Chair Buonomo provided an update on the Commonwealth’s revenue collections for fiscal year 2016, stating that the collections totaled $7.6 billion, $4.2% more than the state took in last year at the same time. He reported that the campuses are fully engaged and preparing their 5 year forecast through FY20 and that the administration and finance team would use the information
provided to formulate sustainable strategies for funding goals for the endowment and financial aid; and to determine operating margin and debt ratios.

Chair Buonomo commented on the October 21, 2015 special meeting of the A&F Committee to discuss the state budget request for FY2017. He noted that the days’ discussion focused on the metrics that are an important part of the ongoing budget discussion at each quarterly A&F meeting. He stated that understanding the University’s historical trends and decision making can guide the administration with the tough choices that are necessary to ensure the University continues to operate in a financially sustainable way.

**Presidents Report**

President Meehan provided an update on the University’s budget and collective bargaining. He announced that the Governor has signed the final supplemental budget for FY15, which did not include the $10.9 million to fund the University’s collective bargaining. The Commonwealth funded $2.2 million of the $13.1 million; their share of collective bargaining contracts, but have yet to pay the remaining $10.9 million for FY15. He stated that with the support of the Chancellors and some Board members, he made a commitment to process for payment the University’s faculty and staff wage increases called for in the collective bargaining agreement.

President Meehan stated that without the additional funding provided by the Commonwealth the campuses are faced with at $10.9 million deficit. He then asked each Chancellor to report on best-practices and how they are planning to manage their campus budget given the shortfall. President Meehan stated that the system would be making reductions as well, which include but are not limited to, freezing vacancies and reevaluating funding for new initiatives. He then stated that the University will continue to work closely with the Administration and Legislature to ensure that the FY17 budget request is open, transparent, and accurately reflects the needs of the University.

Chair Buonomo then asked for a vote to place Action Item #1 on a Consent Agenda for the Board meeting. He stated that Items #2 and #3 would be brought before the Board at its December 9 meeting.

It was moved and seconded to place Action Item #1 on a Consent Agenda. Chair Buonomo asked for a vote and the motion passed unanimously.

Discussion Items:

Senior Vice President Wilda provided an update on the University’s Fiscal Year 2016 Audited Financial Statements and the latest changes to the financial metrics. The final results were in line with budget and early projections with an Operating Margin of 0.1%. One significant change to the financials was the requirement to record a share of the state’s pension liability in the amount of $238 million.

Budget Director Pasquini provided the Review of the Quarterly Capital Projects. She reported that the capital plan is being executed as expected and projected. The capital plan totals $3.3 billion with $1.1 billion in phases 1-4 and $2.2 billion in phases 5-9. Of the $1.8 billion in borrowing needed to fully execute the plan, approximately $300 million is left to borrow. No votes were necessary for any of the capital projects. The capital plan is being executed as expected and projected.

Informational Items:

Executive Director Filippone provided the Quarterly Building Authority Update. The approved project list for December 2015 was shared indicating each project’s phase, total cost, priority, and funding source.

Mr. Hescock, Director of University Emergency Management and Continuity, reported on the findings of the University’s Annual Clery Report. Campus Police Chiefs were on hand to answer any campus-specific public safety questions for the Committee.

Executive Vice President Pagnam provided an update on the Fossil Fuels Petitions. He stated that the Foundation has decided to divest partially from coal investments and the University will continue to implement energy efficiencies. He also stated that the Foundation would issue a statement indicating the Foundation’s decision.

Discussion ensued regarding the statement, and Chair Woolridge asked for the Committee’s decision on the final line in the statement: the Foundation continue to evaluate ways to “reduce”, “replace”, or that there should be no statement at all. It was agreed that the statement be brought before the Board at its December 9 meeting for a decision.

Chair Buonomo informed the Committee that the final information items regarding the Moody’s Report on Higher Education and the Impact of GASB 68 and the Calendar of Key Deadlines for the State and University was posted on Boardvantage.
