Chair Lee convened the meeting at 8:12 a.m. and stated that due to a full Board agenda and the need to keep the meeting moving forward in a constructive manner, any members of the Committee or others who wish to speak do so through the Chair, noting that all speakers will be limited to three minutes.

Chair Lee stated that the Committee was provided with draft minutes of the November 19, 2014 meeting and Executive Session minutes, and the December 3rd minutes of the Committee on Administration and Finance and asked for any corrections. With no corrections, the minutes were approved.

**Reports:**

**Committee on Administration and Finance**

Chair Buonomo began by thanking Chair Woolridge for appointing him Chair of the Administration and Finance Committee. He provided an update on the State’s revenue collections through February, which year to date were a total of $15.170 billion, $640 million or 4.45% more than at this time last year and 155 million above the year-to-date benchmark that correspond with the revenue estimates used in the FY15 budget.

Chair Buonomo provided a brief overview of the year-to-date revenue collection breakdowns, University performance, challenges to the Capital and Operating budget going forward at both the system and campus level; future investments, the need for new strategies to bring in revenue to cover the growth in expenses and the development of innovative ways to maximize available funding and resources while preserving the quality for the student, faculty, and stakeholders.

Chair Buonomo also commented on the importance of engagement from the Administrative and Legislative leaders about future capital investments for higher education and that state support for the capital programs should be one of the University’s major priorities. He stated that the Committee on Administration and Finance will begin these efforts by collaboration and monitoring the Key Indicators Dashboard to measure performance and plan for the difficult challenges ahead.

**President’s Report:**

President Caret reported on the University’s priorities and the broad themes system and campus-wide to ensure ongoing student success; the creation of a workforce of educated and engaged citizens; a world class research enterprise; social well-being of students, faculty, and staff and good stewardship of the Commonwealth’s resources. President Caret provided highlights from the campuses including: UMass Amherst’s *Exploratory Track Program*; the *UTeach Grant* recently awarded to UMass Boston; UMass Dartmouth’s College of Nursing *Bridging the Atlantic* program; the series of events held at UMass Lowell signifying the campus’s *Renewing the Commitment to the Civil Rights Act* efforts; and the Medical School’s Ebola efforts in Liberia.
President Caret reported on the University’s work with the new Administration and Legislative leadership. He highlighted several key budget actions have occurred and are still to come including: 9C reductions and midyear cuts by the Governor to the Executive Branch departments. The midyear reductions impacted the University by $12.3 million; the University’s collective bargaining units have ratified their contracts which were submitted to the Governor for authorization and funding. The University continues to seek state support to fund the remaining unfunded contacts; the University continues to work with the House and Senate on the FY16 budget request. Vice Chair King-Shaw suggested that the University continue to work with the new legislative leadership with the funding request. Trustee Peyser commented on the requests and need for additional conversation with the legislature to meet the University’s needs.

**Senior Vice Presidents’ Reports:**

Senior Vice President Williams provided an overview of the University’s mission and purpose for the joint meeting referencing the Land-grant Morrill Act of 1862. Senior Vice President Wilda asked the Trustees to consider the mission when discussing the action items on the agenda.

Senior Vice President Wilda reported on the University’s 2014 financial ratios highlighting the Operating budgets; FTE enrollments; Operating margin; Debt Service to Operations; Primary Reserves; Revenue Composition; Education and General Costs per Student; and Endowment per student for the University’s Official Peers and New England Peers. Trustee Fubini requested benchmark information on where the University is relative to its peers and by campus relative to the University system benchmarks. Trustee Fubini also asked about the system’s tracking methods for the matriculation rate of each campus. There was a brief discussion on the need and expectation to understand what the University’s metrics and targets are going forward. Chair Buonomo stated that the Board should have goals in mind and as chair of the A&F Committee he will work collaboratively with his group and others to achieve and exceed them.

Chair Lee then provided an overview of the CASA items on the agenda.

**Discussion Items:**

Senior Vice President Wilda reported on the **UMass Financial Indicator Peer Comparison.** She presented the financial indicators through a Financial Performance Peer Analysis presentation and reported on the operating margin, goals, and targets as emulated by the peer groups.

**Information Items:**

Deputy Chancellor/ Provost Flotte reported the **UMass Medical School Out-of-State Student Enrollments.** He commented on the learning contracts for out of state students and the benefits and opportunities they receive when they attend the Medical School.

Executive Director Filippone provided the **Building Authority Update and Rating Agency Summary.** She highlighted the new projects for each campus, indicating that $300 million in new dollars was received for building and construction costs. Ms. Filippone reported that 5%
was budgeted to be spent in interest rates and a lower interest rate of 3.75% was received. She stated that though their credit is positive, the Building Authority will continue to use its resources and work to maintain its strong cash hold of $700 Million; $200 Million in commercial paper programing.

Senior Vice President Wilda provided the **Annual Efficiency and Effectiveness Report**. She highlighted the savings and costs avoided; academic E&E and strategic methods as well as next steps to achieve the goals of the system.

Senior Vice President Wilda provided the **Housing Strategy Report**. She reported that housing has been looked at on each of the campuses and commented on how critical housing is to the students. Trustee Thomas commented that there is a positive correlation with academic success and on-campus housing, along with safety. He stated that UMass students should not be faced with living in substandard living conditions.

Chair Woolridge then informed the Committee that a group was formed to work with Boston 2024 Olympics initiative. Trustee Campbell serves on the group and will updates on the groups work.

Chair Lee then asked the committee to vote to enter into **Executive Session** pursuant to Massachusetts General Law, Chapter 75, Section 4, for the purpose of considering **Appointments with Tenure, UMass Boston, Medical School, Awards of Tenure, UMass Medical School, Honorary Degrees, UMass Lowell, Medical School** and **Report on Valuation and disposition of real estate, UMass Boston**, since an open meeting would have a detrimental effect on the negotiating position of a public body, as permitted by General Laws Chapter 30A, Section 21(6).

Chair Lee announced that the committee will not reconvene in open session.

It was moved, seconded and the Secretary called the roll with each Trustee asked to vote yes or no to enter into Executive Session for those purposes listed: Chairs Lee and Buonomo voted for the motion as did Vice Chairs Collins and Osterhaus-Houle; Trustees Campbell, Carpman, Furman, Geoffroy, Lowe, Peyser and Thomas; Chairman Woolridge.

The time was 10:46 a.m.

Christina Kelley
