Chair’s Report
Chairman Manning welcomed everyone to the start of another academic year. He commented on the ongoing adjunct faculty negotiations at UMass Lowell and asked Chancellor Moloney to provide an update. Chancellor Moloney commented that the campus has been bargaining in good faith for three years to seek a resolution to the matter. Since the contracts are funded from the operating budget with no state support, the financial burden of the contracts ultimately falls directly on the students if there is no resolution.

Chairman Manning noted yesterday’s Committee of the Whole presentation on online education which was led by Don Kilburn, Chief Executive Officer for UMassOnline.

Chairman Manning then stated that the Governor recently swore in the newest Trustee, Chioma Okwara, who was not able to join the meeting. He acknowledged that this was the first full board meeting for the new Student Trustees.

Consideration of the prior Minutes of the Board
Chairman Manning stated that the Board was provided with the draft meeting minutes of the June 20 and July 13, 2018 open and executive sessions and asked for any corrections. With no corrections, the minutes were approved.

Chairman Manning reported that the Governance Committee met at 7:30 a.m. and voted to recommend that the Board approve the 2018-2019 Officers and Committee Leadership. He commented on the changes to the Board’s slate and noted that Trustee Paris Jeffries will serve as Chair of the Committee on Academic and Student Affairs and Trustee Scheibel will serve as Vice Chair. Trustee Karam will serve as Chair of the Committee on Administration and Finance replacing James Buonomo. Trustee Burns will serve as Chair of the Advancement Committee. Trustee Furman will serve as Chair of the Audit Committee. Trustee Peters will serve as Vice Chair of the Board.

**VOTED:** To confirm and approve the 2018-2019 Officers and Committee Chairs of the University of Massachusetts Board of Trustees Board of Trustees as set forth in Doc. T18-059; all persons to serve until the next annual meeting of the Board.

Student Trustee Report, UMass Lowell
Trustee Madigan welcomed the Board to the campus and reported on what makes UMass Lowell unique within the five-campus system: community and wellness of the Riverhawks. He noted that the expansion of Counseling Services, renovation of the Recreation Center, launch of the revamped UMatter and new Mindful programs, are a testament to the strong working relationship Student Government and the University administration have on the students.

He reported on The Walk a Mile in Her Shoes March which raises awareness of sexual and gender violence on college campuses. He and dozens of students, including every fraternity on campus marched in the walk. In addition, he reported on the Support Our Students (SOS) program developed by students for students who face food insecurity. The Division of Student Affairs and Student Government also routinely assists to raise funds and receive donations for the food pantry located at University Crossing. He thanked Chancellor Moloney and Trustee Furman for their generous donations to the food pantry. He also highlighted the efforts of the Office of Student Activities to create clubs and organizations on campus to promote social and mental wellness on campus.

President’s Report
President Meehan welcomed the new Student Trustees to their first full board meeting. He thanked them for dedicating themselves to the important role and helping to ensure that student voices are heard in the Board’s decision-making process.

President Meehan commented on the recent *U.S. News & World Report* rankings noting that the University of Massachusetts is one of the only public university systems in the nation to have all of its undergraduate campuses ranked as top-tier national universities. He congratulated the five campuses on their outstanding rankings.

He then provided campus highlights. UMass Amherst welcomed the most academically accomplished and diverse entering class in its history this fall, which was also the largest class in
Amherst’s history with over 5,000 students. UMass Boston welcomed more than 1,000 students to its new residence hall, marking a historic moment in the campus’ history. UMass Dartmouth will break ground on a new first-year student residence hall and a student dining facility in November. UMass Lowell welcomed its largest entering class in history this fall with over 3,200 students. This summer Alynlum Pharmaceuticals, co-founded by UMass Medical School Professor Phillip Zamore, announced FDA approval of Patisiran which reinforced the Medical School’s global leadership in RNAi therapeutics.

President Meehan commented on the efforts underway for a comprehensive Shared Services Plan which was announced at the A&F Committee. He also commented on yesterday’s Committee of the Whole discussion on the opportunities and models for increasing the University’s impact in online education.

**Public Speakers (UMass Boston)**

Marlene Kim, Professor and President of the Faculty Staff Union spoke about UMass Boston being broken and the lack of resources to address the campus’ debt. She commented on the need for a new campus and a new garage and stated that the faculty, staff and students should not pay for construction that is no fault of their own. To do so is perpetuating the institutional racism and institutional inequality in Massachusetts and in the UMass System. She stated that it is the Board’s responsibility to change it.

Anneta Argyres, President of the Professional Staff Union commented on the impact UMass Boston’s construction debt is having on the campus and the price employees and students are paying for that debt. She stated that the Board has another opportunity to fulfill its obligations to UMass Boston’s students and employees and asked if the Board would join the campus to demand increased public funding for public education.

**Standing Committee Reports:**

**Committee on Academic and Student Affairs**

Trustee Osterhaus-Houle reported that the Committee on Academic and Student Affairs met on September 5, 2018 and approved the minutes of the May 30, 2018 CASA open and executive sessions. The Committee voted to place the three action items on a Consent Agenda for the Board’s action. There was an information item on the 2018 University Performance Measurement System Report on Annual Indicators. There was then a discussion on International Enrollments: Where the World is Going and Where are our Campuses Headed. The Committee then voted to enter into Executive Session to consider four action items, and voted to include three action items on the Consent Agenda for Board action.

**Committee on Administration and Finance**

Trustee Karam reported that the Administration and Finance Committee met on September 12th. President Meehan and Senior Vice President Calise provided an update on Shared Services. The

The President’s Office and campuses will continue to monitor the enrollment data in real time and the Board will be updated after Quarter 1 results are completed. The Committee reviewed the University’s first Reserve Policy which is a significant step forward in strengthening our University financial policies. There was a presentation from experts at KPMG to review key principals of alternative procurement or P3 arrangements to better understand the range of risks and responsibilities under such arrangements. The A&F Team’s work with KPMG has led to proposed changes to the current Capital Planning, Land and Facilities Use Policy which will be reviewed at the next Committee meeting for Board approval.
