Chair Fey convened the meeting at 9:15 a.m.

The first item on the agenda was the Chair’s Report. Chair Fey reported that this is President Wilson’s first meeting since elected President by the Board. There is a sense of stability and the University is winning friends from the state house to the board rooms. Growing support was in evidence last week at a reception at the State House held to introduce the President to the legislators.

Today also marks the end of another era, Trustees Fatemi, Marcalo, Morand, Reed and Brathwaite have completed their terms as student Trustees. They have done an outstanding job and their perspectives have been valuable in our recent deliberations.

Chair Fey thanks each Student Trustee and presents them with a gift card for a University Chair.

Chair Fey congratulated the Boston campus and Chancellor Gora on the opening of the new Campus Center and the building itself which has already transformed life on the Boston campus. She thanked Trustee Robert Mahoney and George Russell, the
Executive Vice President for Community Affairs at State Street Corporation for co-chairing the event with her.

The next item was the **President’s Report**. President Wilson expressed his appreciation to Chancellor Lombardi for his hospitality over the past two days. He then reported on the recent Conference on Undergraduate Research which included all five campuses led by the Commonwealth Honors College with more than 300 undergraduates from 28 Massachusetts public higher education institutions presenting their research projects.

President Wilson reported on the new Massachusetts High Tech Council brochure which highlights the Council’s support for UMASS developing into a top tier research university. He also gave an update on the state budget – the House recently completed its initial work on the FY05 budget – all of the key line items including collective bargaining funds add up to $394.8 million which compares to $369.8 million for the current year – if the House budget becomes law, we will still be $100 million below our pre-recession mark.

President Wilson reported on the near completion of two Chancellor evaluations for Jean MacCormack at UMASS Dartmouth and Jo Ann Gora at UMASS Boston. He thanked the Review Committees: Vice President Chmura, Daniel Bogan, James Karam, Stacey Rainey, Beverly Swan and Adrian Tinsely (UMASS Dartmouth review) and Vice President Stephen Lenhardt, Karl White, William Kennedy, Kay Sloan and Gloria Larson (UMASS Boston Review).

President Wilson then gave an update on the 2004 Report on Annual Indicators, a key component of the Performance Measurement System. Each campus benchmarks itself against peer institutions that share its mission and other characteristics. This report will soon be filed with the Legislature and the Governor.

System-wide highlights of the report included: academic quality continues to rise with steadily rising SAT scores and high GPA’s for entering first-time, full-time students; the financial cushion and debt service are within the range of peer systems; the research enterprise has grown to over $320 million; private fund raising and endowment assets are increasing; and student one-year retention and six year graduation rates are comparable to national averages.

President Wilson continued by noting the challenges ahead including the need to increase efforts raising non-state revenues. He then thanked those on the campuses and the President’s Office that helped gather this data especially Kate Harrington, Associate Vice President for Academic Affairs.
The next item on the agenda was **Consideration of Minutes of the Previous Meetings of the Board.**

It was moved, seconded and

**VOTED:** To approve the minutes of the February 4, 2004 and March 24, 2004 meetings of the Board.

Chair Fey then called on Trustee Fatemi to give the **Student Trustee Report, UMASS Amherst.** Trustee Fatemi talked about the student groups on the Amherst campus and their dedicated work with volunteer activities. One particular group, Student Helping Area Reach out Efforts (SHARE) incorporates their volunteer work with their academic careers. Some of their activities include work with after school care programs, tutoring and Habitat for Humanity.

Trustee Fatemi then thanked the Trustees, Chancellor Lombardi and her fellow students for their dedication and support.

Chair Fey introduced the **Consent Agenda.** It was moved, seconded and

**VOTED:** To accept the following Audit Report on the Board Consent Agenda:

1. University Auditing Activity Report (Doc. T04-027)

The next item on the agenda was the **Report of the Committee on Academic and Student Affairs.** Trustee White, Chair of the Committee reported that the Committee met on April 21st. Associate Vice President Harrington had led a discussion on the undergraduate experience of students who participate in Honors Programs at UMASS Amherst, (Lisa Franks and Kristen Ierardi) Boston, (Walter Martinez) Dartmouth (Amelia Thomas) and Lowell (Rebecca Spolarich). Dean Linda Slakey of Commonwealth College was also present.

The students presented their research projects that served as their honors thesis. Dean Slakey spoke of the mix of students who participate in Commonwealth College and the opportunities available to those students. There are over 3,500 honors students across the system.

The first action item considered by the Committee was **Revisions to the Student Code of Conduct, UMASS Amherst.** The revisions clarified the definition of endangering behavior, adding facsimiles of weapons to prohibited items and changed the terms of parental notification.
It was moved, seconded, and

**VOTED:** To approve the revisions to the Code of Student Conduct of the University of Massachusetts Amherst as contained in Doc. T94-059, as amended.

The next item was the **Appointment to Named Professorship, UMASS Amherst**. Professor Thomas P. Russell’s work was noted as path-breaking, seminal and fundamental.

Chair White thanked Associate Vice President Harrington and stated that the **Awards and Appointments of Tenure** would be taken up in Executive Session.

The next item on the agenda was the **Report of the Athletic Committee**. Trustee Moes, Chair of the Committee reported that the Committee met on March 3rd. The Committee had heard reports from the Athletic Directors and focused on the impact of budget cuts. John McCutchen was introduced as the newly hired Athletic Director on the Amherst campus.

There was also discussion about the new code of conduct for athletes on the Amherst campus. It was suggested that this policy be shared among the campuses.

The next item on the agenda was the **Report of the Development Committee**. Trustee Austin, Vice Chair of the Committee reported that the Committee met on April 20th. He first reported on the recent Gala opening of the UMASS Boston Campus Center. It was a successful event with Boston’s community leadership in attendance paying tribute to the evening’s honorees. He thanked Chancellor Gora and her team for a great evening that raised over $500,000.

The Amherst campus continues with its work on the fundraising front with a strong commitment in reaching its $25 million goal for this fiscal year. The Dartmouth and Lowell campuses are behind in their efforts; Lowell is ending its dependence of in-kind gifts and the Dartmouth campus is searching for a new head of Institutional Advancement.
The Worcester campus is also dependent on a specific principal gift prospect coming through before June 30 if it is to meet its year-end goal. A permanent head of Institutional Advancement, Mr. Rodney Miller has been hired.

It was noted that the Committee will work together with the Chancellors to set appropriate targets for the coming fiscal year and to engage President Wilson in the overall fundraising efforts. Chair Mahoney and the Committee will work with the development teams to pick the pace back up for FY2005.

Trustee Austin ended the report by announcing the UMASS Night at the Pops on Wednesday, June 23 continuing this successful UMASS Alumni and friend’s tradition.

The next item was Delegation of Authority. General Counsel O’Malley reported that this action authorizes the President to take all actions necessary to appoint an Executive Director of the newly established Massachusetts Technology Transfer Center.

VOTED: WHEREAS, the Legislature has established the Massachusetts Technology Transfer Center at the University of Massachusetts;

WHEREAS, the purpose of the Center is to “facilitate the transfer of technology from the Commonwealth’s research institutions to the Commonwealth’s industries, for productive use by such industries;”

NOW THEREFORE, the President is authorized to take any and all actions on behalf of the Board of Trustees that are delegated to the Board under G.L. c. 75 S 45(a), including but not limited to, the appointment of an Executive Director of the Center and the approval of appointments to the advisory committee relative to the Center.

In making an appointment to the position of Executive Director of the Center, the President is authorized and directed to do so in consultation with the Director of Business and Technology in the executive branch. (Doc. T04-033)

The next item was Appointments to the Governance Committee. Chair Fey has asked Trustee Moes to remain as Chair, Trustee Rainey as Vice Chair and Trustees Giblin and White as Committee members. The Committee will consider the leadership
and governance structure of the Board and report back to the Board with their findings at the August meeting.

Chair Fey then announced the Board would enter Executive Session to consider Appointments with Tenure, UMASS Amherst, UMASS Boston, Awards of Tenure, UMASS Amherst and UMASS Boston, an Honorary Degree, UMASS Boston and a Personnel Discussion. Chair Fey announced that the Board would reconvene in open session in approximately twenty minutes.

It was moved, seconded and

**VOTED:** To enter Executive Session to consider Appointments with Tenure, UMASS Amherst, UMASS Boston, Awards of Tenure, UMASS Amherst and UMASS Boston, an Honorary Degree, UMASS Boston and a Personnel Discussion.

Chair Fey voted for the motion as did Vice Chair Giblin, Trustees Austin, Boyle, Brathwaite, DiBiaggio, Dubilo, Karam, Marcalo, Moes, O’Shea, Rainey, Sheridan and White. The time was 9:58 a.m.

At 10:18 a.m. the Board reconvened in Open Session. The next item was Terms and Conditions of Employment. Chair Fey then made the following motion:

**MOVED:** In furtherance of the appointment of Jack M. Wilson as President of the University on March 24, 2004, to authorize the Chair to negotiate and agree to the terms and conditions of said appointment consistent with the provisions of the Trustee Policy on Executive Compensation (Doc. T93-062, as revised), provided that the annual salary shall not exceed $400,000. (Doc. T04-034)

The motion was seconded; Chair Fey asked if there was any discussion. Trustee Boyle voiced his opposition to the process and suggested the Board appoint a Compensation Committee to consider President Wilson’s terms and conditions of employment. Trustee Boyle indicated that he had not seen former President William Bulger’s contract and objected to one person having the power to determine the terms.

Chair Fey indicated that the formation of a Compensation Committee would require By-Law revisions. She requested that the Governance Committee review the feasibility of establishing such a Committee. At this time, however, Chair Fey intends to contact each Trustee regarding the terms and conditions of President Wilson’s contract before such agreement is finalized.
The motion was then:

**VOTED**: In furtherance of the appointment of Jack M. Wilson as President of the University on March 24, 2004, to authorize the Chair to negotiate and agree to the terms and conditions of said appointment consistent with the provisions of the Trustee Policy on Executive Compensation (Doc. T93-062, as revised), provided that the annual salary shall not exceed $400,000. (Doc. T04-034)

Trustee Boyle voted against the motion.

The next item was the **Report of the Committee on Administration, Finance and Audit**. Trustee Dubilo, Chair of the Committee reported that the Committee had met on April 29th and heard an in depth presentation from Vice President Lenhardt related to the overall operating and capital financial condition of the University. The report included information on trend and peer comparisons. It was noted that the University is in good shape and needs to continue its efforts with the Capital and Physical plant area and private fund raising activity.

The Committee approved **Amendments to the University’s Capital Plan** which will help improve the facilities on each of the five campuses. It was moved, seconded and
