**VOTED:**

In accordance with sections 1A(e) and 11 of Chapter 75 of the General Laws, to establish an endowed professorship to advance the study of the arts at the University of Massachusetts Lowell to be known as the Nancy Donahue Endowed Professorship in the Arts.
VOTED: To amend the Land and Facilities Use Planning Policy by adding the following language:

PRIVATE USE

Any facilities of the campuses that are purchased, constructed, renovated, rehabilitated, improved or otherwise funded by use of funds from a tax-exempt bond issue are subject to limitations as to use by a private party under federal tax law. Private use means the use of such facilities or portions thereof by any individual or entity that is not a state, a political subdivision thereof or integral part of a state or political subdivision thereof, including the federal government and charitable organizations. “Use” can include, but is not limited to, ownership, leasing, management or sponsorship of research occurring in a bond-financed facility. Private use may jeopardize the tax-exempt status of the bonds. The Vice Chancellors for Administration and Finance will ensure that the campuses establish procedures to prevent exceeding limitations of such private use of the facilities that are set forth in the tax certificate delivered by the University to the issuer in connection with the issuance of the bonds, including annually informing the issuer of any private use activities in subject facilities. If a campus has any doubt as to the existence of a private use, it will consult with the issuer of the tax exempt bonds and with bond counsel to the issuer regarding the impact of any proposed or existing use of the facilities on the tax-exempt status of the bonds.
