Chairman Thomas convened the meeting at 9:06 a.m. and stated that Trustee Healey will be participating by telephone pursuant to 940 CMR 29.10(5)(e) as she is geographically distant making it unreasonably difficult for her to attend in person.

Chairman Thomas then stated that the Board had been provided with a copy of the minutes from the January 16, 2013, February 27, 2013, February 27, 2013 Executive Session and April 30, 2013 meetings. With no corrections, the minutes were approved.

potential freeze to tuition and fees, noting that the vote to raise tuition and fees would go into effect only if the requested state funding did not materialize.

Chairman Thomas announced that the Governance Committee will meet over the summer and report to the Board in the fall. The Committee’s membership includes: Trustees: King-Shaw, Chair; Johnston, Vice Chair; Furman, Mullan, and Chairman Thomas. Chairman Thomas thanked Vice Chair King-Shaw for his leadership on this Committee.

**Student Trustee Report, UMass Lowell:**
Trustee Geoffroy reported that he was honored for the opportunity to report on the academic year and that it was one of transformations, milestones, and growth for the Lowell campus. He commended Chancellor Meehan for his leadership, pride for the campus, and steadfast belief in the opportunities it provides. Trustee Geoffroy noted the campus’ accomplishments in its ambitious capital projects and fundraising goals and remarked on the growing opportunities for students. Trustee Geoffroy, on behalf of students and parents, thanked President Caret for his tireless pursuit of the 50-50 funding.

Chairman Thomas presented gifts to the out-going Trustees, and thanked them for their service to the University and stated that they represent the best of what the University has to offer.

**President’s Report:**
President Caret thanked Chancellor Meehan and the Lowell campus for hosting the Board. He also welcomed the new Trustees and bid farewell to the out-going student Trustees. President Caret remarked on the passing of former Governor Cellucci, noting his strong bond with the Medical School and his remaining legacy to support ALS research.

President Caret welcomed the 15,000 new UMass graduates into the world, remarking that over 80 percent of those graduates stay in Massachusetts. He also commented on the various reactions from the campus communities around the Patriot’s Day bombing, from the awarding of a posthumous degree and a Boston scholarship in Crystal Campbell’s name and Ed Davis’ heartfelt words at UMass Lowell’s graduation to Amherst’s marathon “finish” and Dartmouth’s Torch Relay.

President Caret shared highlights of impressive activities on the Lowell campus, including the Riverhawks Frozen Four appearance; the Roverhawks; the campus’ move to Division I athletics and its national ranking on payscale.com. President Caret also described recent achievements across the system, focusing on the annual award of Science, Technology and Research and Creative Economy research grants as well as UMass Amherst’s $100.5M in life sciences funding for Western Massachusetts; UMass Boston’s five Fulbright scholars; UMass Dartmouth’s new provost, Mohammad Karim and the new Dean at the Charlton School; and the national recognition of the Medical School’s Katherine Luzuriaga’s pioneering work to stop the transmission of AIDS.

He also reported that he was fighting to keep interest rates from rising on student loans. President Caret commented on the importance of the University to the Commonwealth with regard to workforce and R&D.

Chairman Thomas then announced that this was Professor Adrion’s last Board meeting and thanked him for his service as faculty representative to the Board.

Reports of Standing Committees:

**Committee on Academic and Student Affairs:**
Trustee Lee reported that at its June 5th meeting, the Committee on Academic and Student Affairs considered six action items, and an additional three action items in Executive Session that were placed on the Consent Agenda. Trustee Lee described the action and provided a brief report on the four information items from the meeting.

**Committee on Administration and Finance:**
Trustee Woolridge reported that the Committee on Administration and Finance met on June 12th and after short reports by Trustee Woolridge, President Caret, and Senior Vice President Wilda, there was an update by the Building Authority and an update on the E&E Task Force. He also reported that the Committee considered seven action items, of which items #1 and #4 through 7 were placed on the Consent Agenda. Trustee Woolridge reviewed each action item and then asked that the Chair entertain a motion to approve the **FY14 Operating Budget**.

Chairman Thomas asked for questions and discussion. It was moved and seconded.

Trustee Malone stated that he whole-heartedly supported the 50-50 funding, as did the Governor, but he would be abstaining from the vote. Chairman Thomas stated that he appreciated Trustee Malone’s and the Governor’s support. Trustee Carpman asked if there was an additional vote. Chairman Thomas stated that the following vote was specifically for fees. Trustee Mullan asked for clarification in that the operating budget was built on the assumption that the 50-50 funding is not passed. Chairman Thomas concurred and stated that if the 50-50 funding passed, there would be a tuition and fee freeze. Trustee Woolridge added that it was with the exception of the fees the students had voted upon.

The Secretary then called the roll with each Trustee asked to vote yes or no. Chairman Thomas voted for the motion as did Vice Chairs Furman and King-Shaw; and Trustees Buonomo, Carpman, Collins, Fubini, Gomez, Healey, Johnston, Lee, Mullan, Osterhaus-Houle, Peters, Quattrochi, Woolridge and Xifaras. Trustee Malone abstained.

**VOTED:** To approve the FY2014 University Operating Budget and to authorize the President to approve changes, as needed, once the General Appropriations Act for FY2014 is signed into law. (Doc. T13-034)

Chairman Thomas asked for a motion on the Approval of the Mandatory Student Charges and the Authorization to Approve Other Charges for the Academic Year 2013-2014. It was moved and seconded.

Vice Chair King-Shaw moved to amend the vote to delete the phrase “no later than 6/30/13” in paragraphs, 4, 5, and 6. The motion was seconded.

Trustee Lee asked how the amendment changes the vote. Vice Chair King-Shaw stated that there was no reason for a date. Trustee Collins added that he appreciated the spirit of the amendment and asked President Caret if the date was necessary for certainty for students. Chairman Thomas suggested that instead of a date, an event could be referenced. Senior Vice President Wilda added that if the phrase was struck, the contingency rests on the state budget. Trustee Lee asked if there was a legal timeline. Senior Vice President Wilda stated that there was not.

The Secretary called the roll with each Trustee asked to vote yes or no. Chairman Thomas voted for the motion as did Vice Chairs Furman and King-Shaw; and Trustees Buonomo, Carpman, Collins, Fubini, Gomez, Healey, Johnston, Lee, Mullan, Osterhaus-Houle, Peters, Quattrochi, Woolridge and Xifaras. Trustee Malone abstained.

Trustee Mullan then referred to the chart under #2 and asked for confirmation that it was the current fee structure. Senior Vice President Wilda stated that it was the same fee structure for undergraduate, resident students with the exception of Amherst and Lowell, where the agreed upon additional fees were included.

Trustee Carpman commended the Governor and the House for helping to get to this point. He also wanted the Board to remember the students at the State House, the leadership of the President and the considerable advocacy that took place. Chairman Thomas also thanked Trustees for being supportive of making the case for UMass. Trustee Marvel thanked the Governor, the President, and the House for standing for continued accessibility.

Trustee Mullan then added that before the vote, he wanted to disclose that he was a parent of a student at the University.

Chairman Thomas then wanted clarification that the vote only authorized the President to raise fees by 4.9 percent if state funding did not come through. There was discussion on if the University was partially-funded, if there would be a sliding scale. Trustee Woolridge noted that the language states “shall not exceed” which allowed for flexibility.
Chairman Thomas then asked for a motion on the Approval of the Mandatory Student Charges and the Authorization to Approve Other Charges for the Academic Year 2013-2014, Doc. T13-049, as amended. It was moved and seconded.

The Secretary called the roll with each Trustee asked to vote yes or no. Chairman Thomas voted for the motion as did Vice Chairs Furman and King-Shaw; and Trustees Buonomo, Carpman, Collins, Fubini, Gomez, Healey, Johnston, Lee, Mullan, Osterhaus-Houle, Peters, Quattrochi, Woolridge and Xifaras. Trustee Malone abstained.

**VOTED:** To approve the following:

The Commonwealth of Massachusetts and University of Massachusetts strive to achieve a more equitable solution for Massachusetts students and their families to ensure a high quality and affordable education. The equitable solution would be for the Commonwealth to provide 50% of the cost of educating a student at the University of Massachusetts and the other 50% of the costs charged to the student. Under this 50/50 funding model the University would agree to freeze the mandatory fees for all undergraduate resident students for the next two fiscal years provided the Commonwealth appropriates at least $478 million in fiscal year 2014 and approximately $517 million in fiscal year 2015.

1. In accordance with Section 1A of Chapter 75 of the General Laws, and Policy T92-031, Appendix E, to authorize the President to approve, no later than June 30, 2013, or upon the General Appropriations Act for FY2014 becoming law, the individual rates for mandatory student charges, which includes tuition, the mandatory curriculum fee and all other mandatory student fees, provided that the total mandatory student charges shall not exceed the total rates as outlined below for the Amherst, Boston, Dartmouth, and Lowell campuses for academic year 2013-2014:
