Chair Lee convened the meeting at 10:09 a.m. and stated that Chairman Thomas will be participating by telephone pursuant to 940 CMR 29.10(5)(e), since he is geographically distant from Boston making it unreasonably difficult for him to attend the meeting in person. Chair Lee then stated that due to a full Board agenda and the need to keep the meeting moving forward in a constructive manner, any members of the Committee or others who wish to speak please do so through the Chair, noting that all speakers will be limited to three minutes. She also noted that Board of Trustees meeting guidelines restrict comments to specific agenda items and not stray into other areas that are not part of the agenda.
Chair Lee stated that the Committee was provided with draft minutes of the September 4, 2013 meeting and the Executive Session minutes of the September 4, 2013 meeting and asked for any corrections. With no corrections, the minutes were approved.

**Reports:**

**President’s Report**
President Caret commented on the 14th Annual International Education Week, highlighting the benefits of international education and exchange worldwide. He noted several statistics on international students studying in the Commonwealth and at UMass. President Caret also commented on international opportunities as a means for students to gain the skills, self-confidence, and world-view necessary to compete in the global economy.

President Caret highlighted University accomplishments, which emphasized international education, including eight UMass Amherst scholars who will participate in the prestigious Fulbright U.S. Student Program; UMass Boston students who took part in the interdisciplinary summer course held on eight islands in the Caribbean; UMass Dartmouth’s $250,000 NSF grant to engage undergraduates at the physics MAX-lab research facility in Lund, Sweden; UMass Lowell’s Biology major Rachel Paquette ’14, who interned at the South Australian Aquatic Sciences Center in Adelaide last summer; and the thirty clinical-year students at UMass Worcester who study abroad.

President Caret added that the University continues to strive to increase the numbers of students who engage in opportunities abroad, and reciprocally, increase the number of students from abroad who study at the University.

President Caret acknowledged the significant disaster in the Philippines.

**Senior Vice President’s Report**
Senior Vice President Williams commented on the wisdom of predecessors in office, both administrators and trustees, who created an infrastructure of sound policy ensuring that UMass continues to thrive as a world class institution. Senior Vice President Williams reviewed several of the information items on the agenda, including the Academic Quality Assessment and Development, which consists of cycles of unit reviews, and the Periodic Multi-Year Review, which aims to maximize the performance and productivity of tenured faculty.
